Mulatto Math, a One-Woman show written and performed by Monique Debose

Mulatto Math is a heartwarming and funny exploration of identity, family and what it means to belong of a half African American, half Irish American girl. With America's current relationship to race, Monique exposes the beauty, disgrace and complication of both the black and white parts of her world. She explores all aspects of the race conversation that you've questioned yourself but have been too afraid to speak out loud about. Come experience the bravery, vulnerability, hilarity, ignorance and ridiculousness that is race in America.
